

Fee

This is where the fees for each program are defined and the banks for each student in a given program pay their fees per campus.

Click the button **"Program"** for:

- 1) Click to see all the programs and specify the bank students of that given program can pay fees. This is done per program.
- 2) The bank and details could be updated at any point in time by clicking the button "edit."

Click the button **"fee setting"** for:

- 1) Across a given program/level, set the fees by clicking "fee."
- 2) The fees are to be set for all the classes or levels of a given program.
- 3) Ensure to specify the fee amount for first installment, second installment, registration, international, etc.
- 4) Specify the fee amount for the hybrid programs if applicable.
- 5) Click "update" to save the fee setting.
