

Import courses

Bulk upload of courses into the system, courses per background (**undergraduate, Masters 1, Masters 2, and Public Health**) per semester (either **FIRST OR SECOND SEMESTER**) in the following format strictly as a CSV file.

Points to note: Ensure you delete empty columns on the CSV file and follow the order: **course code, course title, credit value, and status.**

Click on the file from the directory it is saved to and click save. importation done
