

PassFail report

Displays the failed and passed reports of courses of a class for a given semester per academic year. Candidates registered (CR), candidates examined (CE), % passed, grades associated with the course, and number.

- 1) Select the level/class
- 2) Select the semester
- 3) Select the academic year
- 4) Select campus, but it is "optional"
- 5) Click the "Generate" button to get the frequency distribution
- 6) Click "Download PDF or Download Excel" to get the PASSFail report in downloadable format.

Revision #4
