

Student Listing

Enables the names and matricules of students in a given school, department, program, class, or level to be gotten.

- 1) Click the dropdown arrow at the right edge of the box; it displays school, department, program, class, and level.
- 2) Select based on the information you need at the level of school or department or program and so on and click "Get."
- 3) If School of Health is selected, for example, click the button "students" to get all the students of that school displayed.
- 4) Select the format, e.g., copy, CSV, Excel and download PDF at the top of the displayed page to get the students data.
